EDITOR'S NOTE

Hi!

Long time, no hear!

Spring has Sprung.

Summer is here, finally!

Hope all is well with you and yours. We are looking to the summer with anticipation and unfortunately some anxiety too. Anxiety, that it won't last nearly long enough. Lots to do and lots to see. Many people to catch up with, and maybe a few vacations, too!

What's a vacation?

Here's looking for good weather, good times, and maybe a good beer or two!

Let's get out there and enjoy the days and get in some rest and relaxation. Isn't that what summer is all about?

Hope you have a great one!

See you soon.

UPCOMING EVENTS**SUPPORTED ENTRY**

The Paper Cities Kennel Club is moving their shows to a new location. We have supported the Gordon Setter entry at their Saturday show for the last several years.

This year the shows will be held at the Greenheck Field House, in Schofield, WI. This is next to DC Everest High School. The shows will be indoors and air conditioned. Our club is planning a camping weekend as usual, but we will be camping at a private campground south of Mosinee.

The Lake DuBay Shores Campground is located south of Mosinee. To get there, take Hwy. 51 or I-39 south of Mosinee to exit 175, follow Hwy. 34 south and west to Dubay Drive. The campground is just east of Hwy. 34, on Dubay Drive.

We will be holding a general membership meeting and having our annual elections at this time. Saturday will find the Gordons showing about 2:00 P.M. at Greenheck. We will gather after the show, across the street in Kennedy Park to have a cookout and hold our meeting and elections. If you have any questions, call or e-mail Connie - 262-538-1048, crhoden@wi.rr.com, or Marte - 608-839-4261, glenoakgrdns@jvl.net.

Come join us and have a fun weekend.

Marte

FIELD TRIAL

The annual fall field trial is set for the 23rd and 24th of August.

This will be held at the Pine Island Field Trial Grounds in Portage, WI. The judges are set and everything is ready. The premiums are on their way and now we start gathering entries.

Come for the fellowship and lend a hand. We'll do our Saturday evening dinner as always and something new for the meal is always appreciated.

The Club will hold a meeting to follow and go over upcoming events.

Come one, come all, we'd love to see you there.

Marte

CLUB JACKETS

Keep an eye on your mail and e-mail. Connie will be sending information on a future order for club jackets. The company is looking into a problem a few of the jackets had. When all is taken care of, we will planning another order. If you have interest in the jackets or questions, contact Connie.

REPORTS

WINTER WALK

This year we held the Winter Walk at Holly and Phil Wachuta's farm in Stetsonville, WI. We did have a little snow, so after lunch, we took a few of the dogs out for a Skijoring demonstration. Barb Drake and her husband brought their Gordon LuLu and Curly Coated Retriever Loki to show us how it's done. Then Barb braved the unknown and we tried a few of our Gordons in the harness. Marcus, Piper and Rachel did OK for greenhorns with very little snow.

We then packed up the entire crew and headed for "The Lake". Phil & Holly have a lot on Stone Lake, north of them. Their next door neighbor on the lake has a cabin, which they have access to. We turned a dozen or more Gordons loose onto the frozen lake and all of us went for a stroll through the ice fishermen.

After everyone, 4 footed and 2 footed, got their exercise for the day, we held a membership meeting in the cabin.

A good time had by all!

See you next year!

Marte

FUN FIELD DAY

The Fun Field Day was quite nice this year. No rain, sleet, hail, blowing snow..... we actually saw the sun! We had a large group of about 20 for our morning of sporting clays. Congratulations! This year, the Wounded Bird Award went to new member Gordon Butzine. We hope it holds a place of honor in your home, unlike it's first year with Chris.

We had many dogs in the field and saw some good bird work. Several of those youngsters are going to do well. Keep it up!

Hopefully we will see some of them at our upcoming field trial.

Thanks again to R & R Ranch of Marshfield for the opportunity to use the grounds.

HUNTING TEST

May 3rd and 4th

Portage, WI

Things got a little hectic one week prior to our test. One of my judges got injured and had to pull out. With some scrambling at the last minute I was able to find a set of judges to take their place. Weather held nicely and we had a nice turnout. All in all the event ran smoothly, but that is all due to the "well oiled machines" we have. These events do not run very smooth unless you have a dedicated and very hard working crew! I'd like to "thank" my crew for such a nice job. I heard many compliments form people about how nice the test was run. Many thanks go out to Betsy & Clyde Sippel, Marte Wetzell, Janet Gomez, Don Clemons, Jack & Sue Johnson, Don Krueger, Wendell & Lynne Summers, Peg O'Neil, and my

husband Chris, who had to put up with me when I was scrambling for new judges. With having a crew like all of you it makes my job all the easier. Thank You!

Looking for your name in lights?

Do you like to use your imagination?

Please call Marte at 608-839-4261 or e-mail at glenoakgordons@msn.com.

I can come up with assignments for you to help with the newsletter.

If you're going to attend a BGSC event, how about writing a report for me.

Write a funny story, tell about a hunting trip, give the latest in

Even a few paragraphs help me out. It may not seem like much to you, but if you can do a few of these for me, maybe I'll keep myself on course this year.
