## EDITORS NOTES

As always, if you have something you'd like to see in the newsletter send me something or drop me a note.

Don't feel shy if you want to help the club with any of our events. We are always glad to have help at the Fun Field Day, Hunt Test, and Field Trial and can always find something for you to help with. If you want to volunteer just contact one of the board members or let me know.

As usual, I'd like to thank Marte Wetzel for all her help accumulating the Memorials, New Titles & Wags and Brags then sending them to me for the Newsletter. It saves me a lot of time and work. Thanks Marte.

## **BGSC GENERAL MEMBERSHIP MEETING MINUTES**

4-28-12 Pine Island Field Trial Grounds, Portage, WI

Chuck Kolar motioned to accept the minutes of the last meeting as published. Steve Gibson seconded the motion.

The Field Trial has been approved by AKC. The dates are August 25th and 26th. We will have Setters only stakes in Open Gun Dog and Open Puppy. The Open Limited Gun Dog, Open Derby, and Amateur Gun Dog will be open to All Setters, Brittany, Vizsla, Weimaraner, Wirehaired Pointing Griffon, and German Wirehaired Pointers.

We have no dogs in rescue at this time, but we have received a few inquiries from people looking for dogs.

The software for the field events was discussed. Peg will find out about purchasing it. Betsy Sippel motioned to go ahead and purchase it. Chuck Kolar and Steve Gibson seconded the motion.

Fun Field Day - Josh Kolar won the Crippled Bird Award. Fun day had by all people and dogs alike.

Supported Entry - the prizes will be set and sent to Marshfield as soon as possible. Most of the prizes will be dog equipment that Lynne Summers had. Wendall Summers sent a lot of things he doesn't need. Some of the other prizes will be hand painted wine glasses donated by Pat Larson.

The Abbott Print that was donated to the club by Ralph and Marie Jackson, will be raffled off at the 2013 National Specialty. The money will go the Health and Genetics Committee. Kristi Boehm is the chairman. She will start a raffle of the print, which will be drawn at the Specialty in Chattanooga.

There was discussion about the Area Committee status. We are still somewhat confused as to the structure of the Committee. Chuck Kolar suggested to have it based more like what Pheasants Forever does. The committee maintains consistency across events - Badgerland Area Committee. "Badgerland Gordon Setter Club is a cool name." Chuck Kolar. We agree.

What will be the structure for defining the chairman and treasurer? What about the secretary and minutes?

Connie Rhoden moved to adjourn and Betsy Sippel seconded. Meeting adjourned.

Minutes submitted by Marte Wetzel, Secretary.

## **MEMORIALS**

### **CH Amethyst's Jazzy Aidan RN JH CGC TDI** 2/19/2000---7/17/2012

He was the head of the house and he ruled with a soft paw. He will be missed by many, he was loved by many. He was our first in everything. Because of him we have made so many good friends. Many thanks to his breeders Peggy and Greg DaValt, he may have been the pick no.11 in a litter of 12 but he was always No. one in our lives and heart.

Happy hunting sweet Boy

Ron & Gwen Pfeil

### **CH. GLEN OAKS KINSEY REPORT**

5/13/1999 TO 7/10/2012

Marte Wetzel & Beth Hintz

We lost our girl. I say "our girl" to this degree, she was my breeding and my baby. I showed her to her Championship and several times since. I whelped her litter out of Nirvana (with Beth on hand most of the time). Never a dull moment. We had wonderful puppies and great times in the show ring. Brace with her daughter Sydney was always a party (Oconomowoc National). She picked a hot day in July last summer (Great Lakes Specialty) to shine. At 12 years young, she decided to run everyone else into the ground. Head up, tail out, she took a large Veteran Bitch class and kept rolling. We were in the final cut in breed and she hardly seemed to be breathing hard. Judge Lorraine Bisso said later, every time the group went around, Kinsey just said "Keep me". I miss her so.

For Beth it is so much more. She lost her buddy, pal, babysitter, and shadow. Kinsey was the spark at Beth's house. She kept all others in line with a quiet grace. She loved her own grandkids and took special care of grandson Knight. She so loved her treks across the field each morning. Kinsey posed with the human kids for pictures (graduation), and took on the task of babysitting Kolton with pride. It was almost 13 years to the day, that Beth had her shadow. People say there is a hole. With some dogs, there is so much more, a canyon maybe. We do miss you, dear girl. Keep watch, and enjoy your eternal treks across the meadow with your mom.

### **CH. MOONSETTER BALWYN SURESHOT**

9/21/2002 TO 7/1/2012

Olivia Moon

Aisling you are gone way to soon. You were Olivia's Junior Showmanship dog. A job not taken lightly, I'm sure.

To Chuck and Heidi and especially Olivia, all of us at Badgerland send our condolences.

Rest well sweet girl.

Marte Wetzel

### **CH. U-CH. AMETHYST JAZZY AIDAN RN, JH**

2/19/2000 TO 7/17/2012

Ron and Gwen Pheil

Dear Aidan,  
What a hard life, and we all heard all about it from you. Oh, how you loved to tell the stories. Somehow, I just couldn't believe most of your yarns. You see, I know your mom and dad.

Now you can get back to spinning stories with your best bud, MacE.

May you forever sing!

Marte Wetzel
